

2024 VET COURSES HANDBOOK

INTRODUCTION

Vocational education and training (VET) enables students to acquire workplace skills through nationally recognised training within an accredited course.

At St Mary's College, our students have an extensive range of options to pursue with the training and courses available to them.

They are available to all Year 11 and 12 students and in some cases, Year 10 students can access these pathways.

The Australian Qualifications Framework (AQF)

All of the VET courses offered by St Mary's College lead to nationally recognised qualifications – a certificate (if all of the requirements of the qualification are completed) or a statement of attainment (for those parts that are successfully completed where the full qualification is not completed). This certificate/statement of attainment will be recognised in all eight states/territories in Australia. This is because Australia has a national qualifications framework called the Australian Qualifications Framework (AQF). There are 14 different types of qualifications that can be obtained. These are shown in the following diagram.

COURSES OFFERED AT / THROUGH ST MARY'S COLLEGE

St Mary's College offers several subjects as part of its Vocational Education program. These Vocational Education & Training (VET) courses are nationally accredited courses and certificates.

Students will be eligible to receive one or more certificate qualifications. Qualifications gained are determined through competency-based assessment. The completed certificate/s and units of competency will appear on the Senior Statement.

Courses offered at St Mary's College include:

- **Certificate III in Hospitality/Tourism** (Certificate II Course embedded into program)
- **Certificate III in Sport and Recreation** (Certificate II Course embedded into program)
- **Certificate IV in Justice Studies**
- **Certificate II in Creative Industries**
- **Certificate II in Sampling & Measurement / Certificate III in Laboratory Skills**
- **Certificate III in Business (FisherOne)**

N.B. Some of these subjects running will be subject to meeting a minimum number of students.

* New courses will be subject to school resources and numbers.

Additional TAFE Courses

Students can study a range of courses at TAFE who have campuses in Maryborough and Hervey Bay.

All TAFE course information can be found on the TAFE at Schools link below:

<https://tafeqld.edu.au/courses/ways-to-study/tafe-at-school>

Registered Training Organisations

Senior students may also enrol in Certificate II, III, or IV level programs through other providers not listed above.

The student timetables may be adjusted to assist in completion of any additional study. Most of these courses also have QCE points attached to them which will help students gain their Queensland Certificate of Education (QCE).

It is encouraged that students try and combine their study of these courses with a work placement to gain practical experience in the hope of leading to a possible traineeship or apprenticeship down the track.

Students need to:

- Be committed to completing the program
- Be prepared to pay for any costs
- Arrange their own transport to and from the external training organisation if applicable

School-based Apprenticeships and Traineeships

This involves attending one day of paid work per week and completing the appropriate training package, usually Certificate III level, in most areas of employment.

Students on these pathways will exit Year 12 with a Queensland Certificate of Education (QCE) that outlines both school and vocational studies.

Work Experience

Students are encouraged to take part in at least one work experience placement each year in Years 11 and 12. This can be organised by seeing Mrs Angela Jones at the Senior Pathways Centre.

Work Experience allows students to gain valuable experience in the workplace in an area of interest, provides valuable work readiness skills and establish important contacts with local employers.

Choosing Senior Subjects

It is important to choose senior subjects carefully as your decisions may affect the types of occupations you choose in the future, your success at school and your feelings about school.

As an overall plan, it is suggested that you choose subjects:

- you enjoy
- in which you have achieved good results
- which reflect your interests and abilities
- which help you reach your career and employment goals
- which will develop skills, knowledge and attitudes useful throughout your life
- that meet pre-requisites required for further study after school.

Find Out About Occupational Pathways

It is helpful if you have a few career ideas in mind before choosing subjects. This is the focus of the career education program in Year 10. If you are uncertain about this at present, then select subjects that will keep several career options open to you.

VET in Schools Funding - What is VETIS?

Vocational Education and Training in Schools (VETIS) is the delivery of nationally recognised qualifications to school students, providing them with the skills and knowledge required for employment and pathways in specific industries.

VETIS qualifications can be undertaken in senior years and can count towards the Queensland Certificate of Education and can be accessed **once** during their course of study.

VET Investment Budget

The Queensland Government's VET Investment Budget only subsidises qualifications (Certificate I and II level) that have been identified by industry as leading to employment.

Certificate II in Hospitality along with courses at the Trade Training Centre are some examples of courses that fall under this category. Courses that are VETIS funded by the VET investment budget are fee-free for students.

VET in Schools Funding Eligibility

The VET investment budget will only fund **one** employment stream qualification. With this in mind, if you have previously enrolled in a VETIS funded qualification prior to enrolling in this program, you will:

- be ineligible for this program to be offered as a VETIS-funded qualification, however
- still can enrol into the Certificate II program as a **'fee for service'** student.

NB. Students need to be aware that they can only use VET in Schools funding once and any course commenced after will incur full course fees under a user pays model.

Hospitality Experience Program

The Blueprint Hospitality Experience Program has been developed to give year 12 students the opportunity to develop a deeper understanding of the hospitality industry with real hands on exposure to front and back of house operations. The program allows students with different strengths and areas of interest to experience a range of departments and positions so they can make informed decision about future aspirations.

Whilst immersed in the program, students will enjoy the professional and fast paced work environment and also experience 4 and 5 star properties from the perspective of a guest. Our partner hotels are committed to community involvement and "growing" the next generation of hospitality professionals.

Prices for a 1 night stay, twin share start from \$185 per person,
2 night stay, twin share \$285 per person. (Subject to change and regional price dependant).

Benefits of the Program

- Putting classroom knowledge into practice in a variety of different hospitality roles and positions
- Insight into the world of work and the responsibilities of being an employee
- Experience company cultures, systems and work practices
- An insight into a range of career paths
Personal growth and independence

The Day Program includes:

- Accommodation (twin share)
- Buffet breakfasts
- Lunches in the staff cafeteria
- Dinner in the hotel restaurants
- Hotel tour, welcome and induction
- 2 or more shifts of 3.5 hours in selected departments
- Guest access to hotel facilities
(not licensed bars)

SHB20216 CERTIFICATE II in SALON ASSISTANT

A Nationally Recognised Qualification (National Provider No. 30078)

This course has been designed for those persons providing general assistance in a hairdressing salon. Likely functions in the Hairdressing Industry for those who complete this subject include working within clearly defined contexts and, under supervision, providing assistance to other operators. Functions at this level include performing a limited range of hairdressing tasks, interacting with customers and providing customer service, following workplace safety procedures, demonstrating effective hairdressing environment work practices, providing assistance to colleagues and developing hairdressing industry knowledge.

Possible Career Options

Students who complete this qualification may pursue higher certificates in the Hair Industry such as Hairdressing Apprenticeship, full-time Certificate III in Hairdressing.

Course Fees

\$100 fee payable in Year 11 and \$100 fee payable in Year 12, to cover consumables and resources. Students will be required to wear “Hair and Beauty” uniform comprising black long pants and black shirt with Hair and Beauty logo, which is available from Sauer’s Clothing Suppliers and this uniform needs to be worn from the first day of Term 1. This information is correct at time of publication but subject to change.

Course Outline

To achieve a Certificate II in Salon Assistant you will need to complete 12 units in total – 8 Core units plus 4 Elective units

CODE	UNIT TITLE
CORE UNITS	
BSBWHS201	Contribute to health and safety of self and others
SHBHBAS001	Provide shampoo and basin services
SHBXCCS003	Greet and prepare clients for salon services
SHBHDES001	Dry hair to shape
SHBHIND001	Maintain and organise tools, equipment and work areas
SHBXIND001	Comply with organisational requirements within a personal services environment
SHBXIND002	Communicate as part of a salon team
SHBXCCS001	Conduct salon financial transactions
ELECTIVE UNITS	
SHBHBAS002	Provide head, neck and shoulder massages for relaxation
SHBHCLS001	Apply hair colour products
SHBHDES002	Braid hair
SIRXSL001	Sell to the retail customer
SHBHIND002	Research and use hairdressing industry information
SIRRINV001	Receive and handle retail stock

To provide flexibility and to cater to student interest and participation, 6 elective units of competency are offered. Students are provided with packaging rules – 8 Core and 4 Elective units, and understand they do not need to complete the 6 elective units on offer.

Special Aspects

During the course, students will be requested, at different times, to work after school hours, as the Hair and Beauty salon operates as a working salon with paying clients. This should be taken into consideration.

Assessment is based on the following

Competency based assessment is the process of collecting evidence and making judgements on whether or not the student can consistently demonstrate knowledge and skill and the application of that knowledge and skill to a performance required in the workplace. During the program of study, a variety of assessment techniques will be used. There are no A-E results attained in this course, the student will either be deemed competent or not yet competent at completion of course. As a result, the student will not receive a Level of Achievement.

Service Agreement

This is a two-year course. Maryborough State High School guarantees that the student will be provided with every opportunity to complete the certificate as per the rights and obligations outlined in the enrolment process and information handbooks provided. Students successfully achieving all qualification requirements will be provided with a Qualification and record of results. Students who achieve at least one unit (but not the full qualification) will receive a Statement of Attainment. Late enrolment in the course means training and assessment is for negotiated package of units, which will lead to a Statement of Attainment.
