

Uniform Policy and Procedure 2026

Policy Statement

Taking pride and care in one's appearance is an excellent way of expressing self-respect and showing others that you respect them. Clean and appropriate grooming, and the correct wearing of the College uniform follows on from this premise and reinforces the notion that students are aware of the importance of being part of something bigger than themselves. By living up to these expectations daily, students are demonstrating they are a proud member of the St Mary's College Community and respect the traditions and heritage of all that have gone before them.

It is an expectation of the College that all students be in complete and correct uniform and present themselves in a clean, tidy and well-groomed manner. This expectation extends beyond the College grounds, as the representation of the College in the community is influenced by students wearing the full and correct uniform. Students are expected to come to and from school in the correct uniform. Teachers will remind students of what is required should they not meet expectations.

Our sun safety policy requires the wearing of hats whenever outdoors. Therefore, the wearing of hats with both the formal and sports uniform is a significant component of the College uniform.

For all Year Levels Monday and Wednesday is Formal Uniform, Tuesday and Thursday is students' choice of Formal or Sports uniform. Friday is Formal, House or Sports Uniform.

Care and Maintenance

Parents are expected to check daily that their child is meeting the College's uniform and personal appearance standards, as this partnership between home and the College is essential. This includes ensuring uniforms are well maintained in terms of wear and tear, cleanliness, and correct sizing. Students and parents/caregivers are responsible for the appropriate care and upkeep of all College uniform items, and any damaged or poorly maintained items must be replaced. To prevent loss or confusion, all uniform items must be clearly marked with the student's name.
